How to reach BASF Antwerp

Approaching from Brussels, Mechelen (E19):

- At the end of the motorway, you arrive at the Craeybeckx tunnel
- Keep right, and follow the signs to A12 Bergen-op-Zoom / Haven
- You arrive onto the Antwerp ring road (R1) direction Breda / Haven / A12 Bergen-op-Zoom

Approaching from France, Ghent, Sint-Niklaas (E17):

- At the end of the motorway, you arrive at the Kennedy tunnel
- At the end of this tunnel, you enter the Antwerp ring road (R1) direction Breda / Haven / A12 Bergen-op-Zoom

Approaching from Germany, Liège, Hasselt or Eindhoven (NL):

- At the end of the motorway, keep right and follow the signs to Breda / Bergen-op-Zoom
- You are now on the Antwerp ring road (R1) direction Breda / Haven / A12 Bergen-op-Zoom

On the Antwerp ring road:

Unlike most GPS systems, we recommend you to follow the A12 road to Bergen-Op-Zoom and take exit 11 Zandvliet. Most GPS systems lead you onto Scheldelaan and via the Zandvliet and Berendrecht sluices. Here, you might be faced with an open bridge and extended waiting times.

- Take exit **A12 Bergen-op-Zoom / Haven**. Follow the A12 road
- Take **exit 11 Zandvliet**. This exit splits: keep left and follow the sign Haven 601-999
- At the next Y junction, keep right and follow the sign to BASF
- You will cross the Noordlandbrug (Noordland bridge).
- The BASF site is on your left hand side. After several kilometers, you will first pass gate 6, then gate 3

Approaching from France, Bruges, Ghent, St-Niklaas (E17) (toll road):

- At the end of the E17 motorway to Antwerp, you enter the Antwerp ring road (R2) direction Breda / Rotterdam / Doel / Haven
- You drive through the Beveren tunnel and subsequently through the Liefkenshoek tunnel (toll road)
- Take exit 12 Lillo towards Haven 1-999
- Turn right towards Scheldelaan / N163. Continue onto Scheldelaan.
- You will pass the Zandvliet and Berendrecht sluices. Passage here is always possible: follow the route indicated on the signs
- At your right hand side, you will first pass our site (first gate 1)

Approaching from Breda (NL):

- Take exit **A12 Bergen-op-Zoom / Haven**. Follow the A12 road
- Take **exit 11 Zandvliet**. At the next Y junction, keep left and follow the sign to BASF
- You will cross the Noordlandbrug (Noordland bridge). The BASF site is on your left hand side
- After several kilometers, you will first pass gate 6, then gate 3

Parking space at all entry gates.
There is no public transport to our site.
