

CERTIFICATE

The Spanish Chemical Industry Federation (FEIQUE), as representative and manager of the Global Responsible Care initiative in Spain,

Certifies that the company

BASF

**Meets the following requirements for
Responsible Care CSR Company**

- It subscribes to the voluntary Responsible Care (RC) initiative and committed to the on-going improvement of Safety, Health, Environment and Security in all its operations, in accordance with the principles of Sustainable Development and Corporate Social Responsibility.
- It subscribes the guiding principles of Responsible Care currently embodied in the signing of the Responsible Care Global Charter (2014).
- Reports to Feique the Responsible Care Performance Indicators, as well as the results of Cefic's Self-Assessment of the Framework Management System through the self-assessment tool developed for this purpose. In addition, where applicable, the standard equivalent systems for non-manufacturing RC companies are completed.
- It complies with the verification processes agreed in the Programme and with the ISO 9001, ISO 14001 and ISO 45001 or other equivalent standards approved by Feique within Responsible Care.
- Encourages the development of CSR policies with its stakeholders and assists in promoting compliance with the objectives and principles of the Responsible Care program.

**This certificate is valid from march 1st, 2025
to march 1st, 2027**

And as evidence hereby, I sign this certificate in Madrid,
on march 1st, 2025

Mr. Juan Antonio Labat Arangüena
FEIQUE Director General
