BASF Agricultural Solutions India Limited

Notes to the Financial Statements

1. Background of the Company

BASF Agricultural Solutions India Limited (the 'Company') has been incorporated on February 19, 2025 to undertake Agricultural solutions business.

The Company is a public limited company incorporated and domiciled in India with its registered office located in Mumbai. The Company is a wholly owned subsidiary of BASF India Limited.

2. Material accounting policies

a. Basis of preparation

(i) Compliance with Ind AS

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ('the Act') read together with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions and amendments of the Act.

The financial statements are presented in Indian Rupees (INR) which is also the Company's functional currency. All amounts have been rounded off to the nearest thousands, unless otherwise indicated.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. The Company has identified twelve months as its operating cycle.

(ii) Basis of measurement

The financial statements have been prepared on an accrual basis and on a historical cost basis

(iii) Going concern

The financial statements have been prepared on a going concern basis for reasons stated in Note 19 to the financial statements.

(iv) New and amended standards adopted by the Company

The Ministry of Corporate Affairs vide notification dated 9 September 2024 and 28 September 2024 notified the Companies (Indian Accounting Standards) Second Amendment Rules, 2024 and Companies (Indian Accounting Standards) Third Amendment Rules, 2024, respectively, which amended/ notified certain accounting standards (see below), and are effective for annual reporting periods beginning on or after 1 April 2024:

- Insurance contracts - Ind AS 117; and
- Lease Liability in Sale and Leaseback – Amendments to Ind AS 116

Ind AS 1, Presentation of Financial Statements, w.e.f April 1, 2025 -

The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months

BASF Agricultural Solutions India Limited

Notes to the Financial Statements

2. Material accounting policies (*Continued*)

(iv) New and amended standards adopted by the Company (*Continued*)

after the reporting date, and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants.

Ind AS 107, Financial Instruments: Disclosures, w.e.f. April 1, 2025 –

The amendment introduces enhanced disclosure requirements for supplier finance arrangements (such as supply-chain finance or reverse factoring). Entities are required to disclose information that enables users of financial statements to assess the effects of such arrangements on the entity's liabilities, cash flows and exposure to liquidity risk. The disclosures include the nature and terms of the arrangements, the carrying amounts of related financial liabilities, the portion for which suppliers have already been paid by finance providers, and a comparison of payment terms under supplier finance arrangements with those of normal trade payables.

These amendments did not have any material impact on the amounts recognised and are not expected to significantly affect the current or future periods.

b. Use of estimates and judgements

The presentation of financial statements in conformity with the generally accepted accounting principles requires estimates and assumptions to be made by management that affect the reported amount of assets and liabilities and disclosure of contingent liabilities as on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the period in which the results are known/materialise.

c. Financial Instruments

Financial asset

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

Measurement

At initial recognition, the Company measures a financial asset (excluding trade receivables which do not contain a significant financing component) at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Subsequent measurement

For subsequent measurement, the Company classifies its financial assets in the following measurement categories:

BASF Agricultural Solutions India Limited

Notes to the Financial Statements

2. Material accounting policies (*Continued*)

c. Financial Instruments (*Continued*)

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Financial liabilities

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities are initially measured at fair value minus, in case of financial liabilities not at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial liabilities.

Subsequent to initial recognition these financial liabilities are measured at amortised cost using effective interest method.

Offsetting

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts in the normal course of business and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Derecognition of financial assets and financial liabilities

A financial asset is derecognised only when:

The Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the company has not retained control of the financial asset. Where the Company

retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

BASF Agricultural Solutions India Limited

Notes to the Financial Statements

2. Material accounting policies (*Continued*)

c. Financial Instruments (*Continued*)

The Company derecognizes a financial liability when its contractual obligations are discharged or cancelled or expire. The Company also derecognizes a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. The difference between the carrying amount and the financial liability extinguished and the new liability with modified terms is recognized in the Statement of Profit and Loss.

Measurement of fair values

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market of the asset or liability; or
- in the absence of a principal market, in the most advantageous market for the asset or liability.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy that categorises into three levels, as described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and lowest priority to unobservable inputs (level 3 inputs).

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

d. Leases

As a Lessee

As a lessee, the Company generally recognises for all leases a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Company.

The Company separates non-lease components, such as services from lease payments. Lease liabilities are measured at the present value of the remaining lease payments, taking into account the incremental borrowing rate.

Lease payments are discounted using the interest rate implicit in the lease contracts if that rate can be determined from the lease contracts. If the discount rate cannot be readily determined, which is generally the case for leases in the Company, the lessee's incremental borrowing rate is used, being the rate that the individual lessee would have to pay to borrow the funds necessary to obtain an asset of similar value to the right-of-use asset in a similar economic environment with similar terms, security and conditions.

BASF Agricultural Solutions India Limited

Notes to the Financial Statements

2. Material accounting policies (*Continued*)

d. Leases (*Continued*)

To determine the incremental borrowing rate, the Company uses a risk free rate of interest which is adjusted for lease term, country risk and currency risk.

A right-of-use asset is recognized at the same amount as the lease liability. After capitalization at commencement date, whereby the right-of-use asset is measured at cost, the right-of-use asset is generally depreciated over the lease term using the straight-line method. Lease payments are allocated between principal and finance cost. The finance cost is charged to statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of liability for each period.

A number of leases include extension and termination options. Extension and termination options are taken into account on recognition of the lease liability only if the Company is reasonably certain that these options will be exercised in the future. Estimates and expectations which are asserted at the commencement date of the lease liability and the right-of-use asset and pertain to future payments not yet determined on the date of provision are assessed continuously during the lease term. If subsequently improved or changed knowledge influences the expected payment profile over time, the lease liability is remeasured. Any amount on account of re-measurement of lease liabilities is adjusted to the right-of-use assets. Where the carrying amount of the right-of-use assets is reduced to zero and there is a further reduction in the measurement of the lease liability, the Company recognises any remaining amount of the re-measurement in the income statement.

Initial direct costs are excluded for the measurement of right-of-use assets at the date of initial application. The Company exercises the exemption for lease arrangements with a maximum term of 12 months (short-term leases) and low-value assets. Payments associated with such short-term leases and low-value assets are recognised as an expense in Statement of Profit and Loss. Variable lease payments that depend on usage and / or other variable conditions are recognised in the Statement of Profit and Loss in the period in which the conditions that trigger those payments occur.

e. Taxation

Current tax is determined as the amount of tax payable in respect of taxable income for the year computed in accordance with relevant provisions of Income Tax Act, 1961 adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. It measures its tax balances either based on the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty. It establishes provisions where appropriate on the basis of amounts expected to be paid to tax authorities.

BASF Agricultural Solutions India Limited

Notes to the Financial Statements

2. Material accounting policies (*Continued*)

e. Taxation (*Continued*)

Deferred tax charge or credit and correspondingly deferred tax liability or asset is recognised using tax rates that have been enacted or substantively enacted at the Balance Sheet date. Deferred tax is recognised, subject to the consideration of prudence, on temporary differences, being the difference between carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognized to the extent that it is probable that future taxable profits will be available against which they can be used. The existence of unused tax losses is strong evidence that future taxable profit may not be available. Therefore, in case of history of recent losses, the Company recognizes a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realized.

Deferred tax assets – unrecognized or recognized are reviewed at each reporting date and are recognized/reduced to the extent that it is probable/no longer probable respectively that related tax benefit will be realized. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets and these relate to income taxes levied by the same tax authorities and are intended to settle current tax liabilities and assets on a net basis or such tax assets and liabilities will be realized simultaneously.

Current tax assets and liabilities are offset where the entity has legally enforceable right to offset and intends either to settle on net a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

f. Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with financial institutions, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash which are subject to an insignificant risk of change in value.

g. Provisions and contingent liabilities

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made, unless the possibility of outflow of resources embodying economic benefits are remote. When some or all of the economic benefits required to settle, a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

BASF Agricultural Solutions India Limited

Notes to the Financial Statements

2. Material accounting policies (*Continued*)

h. Earnings per share

The basic earnings per share are computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting period. Diluted earnings per share is computed by dividing the net profit attributable to the equity shareholders for the year by the weighted average number of equity and dilutive equity equivalent shares outstanding during the year, except where the results would be anti-dilutive.

i. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting and are based on monitoring of operating results by the Chief Operating Decision Maker, separately for making decisions about resource allocation and performance assessment. The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company.

j. New and amended standards issued but not effective

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the period ended March 31, 2026, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

17 Corporate Social Responsibility ('CSR')

The Company was not covered under the prescribed thresholds specified under Section 135 of the Companies Act, 2013 during the year, and accordingly, the provisions relating to Corporate Social Responsibility were not applicable to the Company.

18 Operating Segments

The Company has not commenced its business operations during the year. Accordingly, there are no reportable operating segments, and no segment disclosures have been made.

- 19** Board of Directors of the BASF India Limited, at its meeting held on August 12, 2025, approved a Scheme of Arrangement ("Scheme") amongst BASF India Ltd ("Demerged Company"), BASF Agricultural Solutions India Limited ("Resulting Company") and their respective shareholders, providing for the demerger of the BIL's Agricultural Solutions Business into the Company, in compliance with Sections 230 to 232 and other applicable provisions of the Companies Act, 2013.

Subsequent to the approval, BASF India Limited has received "no objection" letters from BSE Limited and the National Stock Exchange of India Limited in January 2026 and February 2026, respectively. Further, the National Company Law Tribunal (NCLT), by its order dated April 2026, dispensed with the requirement of convening meetings of secured and unsecured creditors of both the Demerged Company and the Resulting Company, as well as the equity shareholders' meeting of the Resulting Company. The NCLT has, however, directed BASF India Limited to convene a meeting of its equity shareholders within 90 days from the date of the order to seek approval for the scheme. The proposed transaction is, inter alia, subject to receipt of other requisite approvals.

Further, the liabilities of the Company are expected to be discharged out of inflows from operations of the Agriculture Business, post demerger from BASF India Limited.

- 20** The Company is in process of setting up ERP system, i.e., S/4HANA which is expected to go live by end of calendar year 2026. Accordingly, the Company has maintained its books of accounts for the period from February 19, 2025 to March 31, 2026 manually.
- 21** The Company has been incorporated on February 19, 2025. As permitted under Section 2(41) of the Companies Act, 2013, these financial statements are the Company's first financial statement prepared for the period from February 19, 2025 to March 31, 2026, resulting in a reporting period exceeding twelve months. Accordingly, the comparative financial information is not applicable.
- 22** The financial statements were approved for issue by the board of directors on May 19, 2026 and are subject to the approval of the shareholders at the Annual General meeting.

INDEPENDENT AUDITOR'S REPORT

To The Members of BASF Agricultural Solutions India Limited Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of BASF Agricultural Solutions India Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2026, and the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and the Statement of Changes in Equity for the period from February 19, 2025 to March 31, 2026, and notes to the financial statements, including a summary of material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, its profit and other comprehensive income, its cash flows and the changes in equity for the period from February 19, 2025 to March 31, 2026.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ("SA's") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibility for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

- The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors report, but does not include the financial statements and our auditor's report thereon.
- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Board of Directors for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Cash Flows and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to financial statements.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, there is no remuneration paid/payable by the Company to its directors during the period and hence, reporting in accordance with the provisions of section 197 of the Act is not applicable.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position. Refer Note 10 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures performed that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

- v. The company has not declared or paid any dividend during the period and has not proposed final dividend for the period.
 - vi. We draw the reference to Note 20 to the financial statements which states that the Company has not used any accounting software for maintaining its books of account for the period from February 19, 2025 till March 31, 2026. Accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable to the Company.
2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

To The Members of BASF Agricultural Solutions India Limited

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls with reference to financial statements of BASF Agricultural Solutions India Limited (the "Company") as at March 31, 2026 in conjunction with our audit of the financial statements of the Company for the period from February 19, 2025 to March 31, 2026.

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The Company's management and Board of Directors are responsible for establishing and maintaining internal financial controls with reference to financial statements based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively for the period from February 19, 2025 to March 31, 2026, based on the criteria for internal financial control with reference to financial statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

To The Members of BASF Agricultural Solutions India Limited

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

In terms of the information and explanations sought by us and given by the Company and the books of account and records examined by us in the normal course of audit, we state that:

- (i) As the Company does not hold any property, plant and equipment or intangible assets, reporting under clause 3(i) of the Order is not applicable.
- (ii) In respect of the Company's inventories:
 - (a) The Company does not have any inventory and hence, reporting under clause 3(ii)(a) of the Order is not applicable.
 - (b) According to the information and explanations given to us, at any point of time of the period, the Company has not been sanctioned any working capital facility from banks or financial institutions. Hence, reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) The Company has not made investments in, provided any guarantees or security, and granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the period. Hence, reporting under clause 3(iii) of the Order is not applicable.
- (iv) The Company has not granted any loans, made investments or provided guarantees or securities. Hence, reporting under clause 3(iv) of the Order is not applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) As explained in Note 19 to the financial statements, Agriculture Solution Business of BASF India Limited (i.e. the holding company) will be demerged and transferred to the Company and pending such transfer, no operations were carried out during the period. Hence the question of maintenance of cost records under section 148(1) of the Companies Act, 2013 doesn't arise. Accordingly, reporting under clause 3(vi) of the Order is not applicable.
- (vii) In respect of statutory dues:
 - (a) There are no undisputed statutory dues, including Goods and Service tax, Provident Fund, Employees' State Insurance, Income-tax, Sales Tax, Service Tax, duty of Custom, duty of Excise, Value Added Tax, cess and other material statutory dues, applicable to the Company, during the period.
 - (b) There are no statutory dues referred in sub-clause 3(vii)(a) above which have not been deposited on account of disputes as on March 31, 2026.
- (viii) There were no transactions relating to previously unrecorded income that were surrendered or disclosed as income in the tax assessments under the Income Tax Act, 1961 (43 of 1961) during the period.

- (ix) (a) The Company has not taken any loans or other borrowings from any lender. Hence, reporting under clause 3(ix)(a) of the Order is not applicable to the Company.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- (c) The Company has not taken any term loan, since its incorporation i.e. February 19, 2025. Hence, reporting under clause 3(ix)(c) of the Order is not applicable.
- (d) The Company has not raised any funds on short term basis. Hence, reporting under clause 3(ix)(d) of the Order is not applicable.
- (e) The Company did not have any subsidiary or associate or joint venture. Hence, reporting under clause 3(ix)(e) & 3(ix)(f) of the Order is not applicable.
- (x) (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the period. Hence, reporting under clause 3(x)(a) of the Order is not applicable.
- (b) During the period, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally). Hence, reporting under clause 3(x)(b) of the Order is not applicable.
- (xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the period.
- (b) No report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the period and up to the date of this report.
- (c) The provision of section 177(9) of the Companies Act, 2013, related to vigil mechanism, do not apply to the Company. Hence, reporting under clause 3(xi)(c) of the Order is not applicable.
- (xii) The Company is not a Nidhi Company. Hence, reporting under clause 3(xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with section 188 of the Companies Act, 2013 for all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements etc. as required by the applicable accounting standards. The provisions of section 177 of the Companies Act, 2013 do not apply to the Company.
- (xiv) In our opinion and based on our examination, the Company is not required to have internal audit system as per provisions of the Companies Act, 2013. Hence, reporting under clause 3(xiv) of the order is not applicable.
- (xv) The Company has not entered into any non-cash transactions with any of its directors or directors of its holding company or persons connected with such directors. Also, the Company does not have any subsidiary company or an associate company. Hence, reporting for compliance with the provisions of section 192 of the Companies Act, 2013 is not applicable to the Company.

- (xvi) (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) The Group does not have any Core Investment Company (CIC) as part of the group and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company was incorporated on February 19, 2025 and has not incurred cash losses during the financial period covered by our audit.
- (xviii) There has been no resignation of the statutory auditors of the Company during the period.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) The Company was incorporated on February 19, 2025. Therefore, the question of it having net worth of rupees five hundred crore or more, or turnover of rupees one thousand crore or more or a net profit of rupees five crore or more during the immediately preceding financial year does not arise. Hence, provisions of Section 135 of the Act are not applicable to the Company. Accordingly, reporting under clause 3(xx) of the Order is not applicable for the period.
