News Release

BASF offers exclusive One Ton Club and truck lease sweepstakes for 22nd year

RESEARCH TRIANGLE PARK, NC, November 17, 2026 – BASF invites qualified U.S. cotton farmers to join its exclusive FiberMax® One Ton Club™, now in its 22nd year. One Ton Club membership enrollment is now open, and One Ton Club members have the opportunity to enter the 2027 FiberMax One Ton Club Sweepstakes ("Sweepstakes") for a chance to win a two-year lease on a Ford Super Duty® F-350 Lariat® truck[1]. See below for the Sweepstakes Official Rules.

To qualify for the FiberMax One Ton Club, farmers must produce a minimum of 2,000 pounds of ginned cotton per acre on a minimum of 20 acres planted with 100% FiberMax cotton seed between January 1 and December 31, 2026. The FiberMax One Ton Club is open to qualifying farmers in Alabama, Arizona, Arkansas, California, Georgia, Kansas, Louisiana, Mississippi, Missouri, New Mexico, North Carolina, Oklahoma, South Carolina, Tennessee, Texas and Virginia. Cotton acreage can be either irrigated or dryland.

To qualify for membership in the One Ton Club, farmers must provide an accurate and complete OTC Qualification Form and gin recap sheets by mail or email by February 12, 2027. Printed OTC Qualification Forms will be mailed this month to

[1] Subject to the Official Rules. See Official Rules. Void where prohibited by law.

farmers who purchased FiberMax cotton seed for the 2026 season, or forms can be found here. All OTC Qualification Forms must be received by BASF by February 12, 2027, to be eligible for One™ Ton Club membership.

Farmers who qualify for the One Ton Club are invited to a celebration in Lubbock, Texas, on April 1, 2027. More details on this celebration will be mailed to such farmers closer to the time of the event. Farmers who qualify for the One Ton Club and attend the celebration in-person are eligible for the Sweepstakes[1].

“Each year, the FiberMax One Ton Club celebrates cotton growers who continue to push yield potential to new heights,” says Bryan Perry, Head of U.S. Seeds & Traits for BASF Agricultural Solutions. “Honoring these farmers doing the Biggest Job on Earth has been one of BASF’s most meaningful traditions for more than 20 years, and we’re eager to celebrate their accomplishments and the impact they make across the cotton industry this spring.”

About BASF’s Agricultural Solutions division

Everything we do, we do for the love of farming. Farming is fundamental to provide sufficient and affordable food for a rapidly growing population, while reducing environmental impacts. That’s why we are working with partners and experts to integrate sustainability criteria into all business decisions. With €990 million in 2025, we invest in a strong R&D pipeline, and our solutions are purpose-designed for different crop systems. Connecting seeds and traits, crop protection products, digital tools and sustainability approaches, to help deliver the best possible outcomes for farmers, growers and stakeholders along the value chain. In 2025, our business generated sales of €9.6 billion. For more information, please agriculture.basf.us or our social media channels.

About BASF

BASF Corporation, headquartered in Florham Park, New Jersey, is the North American affiliate of BASF SE, Ludwigshafen, Germany. BASF has more than 13,300 employees in North America and had

sales of $18.1 billion in 2025. For more information about BASF's North American operations, visit www.basf.com/us.

At BASF, we create chemistry for a sustainable future. Our ambition: We want to be the preferred chemical company to enable our customers' green transformation. We combine economic success with environmental protection and social responsibility. Around 95,000 employees in the BASF Group contribute to the success of our customers in nearly all sectors and almost every country in the world. Our portfolio comprises, as core businesses, the segments Chemicals, Materials, Industrial Solutions, and Nutrition & Care; our standalone businesses are bundled in the segments Surface Technologies and Agricultural Solutions. BASF generated sales of around €60 billion in 2025. BASF shares are traded on the stock exchange in Frankfurt (BAS) and as American Depositary Receipts (BASFY) in the United States.
