Calgary is the head office location of the Agricultural Solutions division in Canada.

Community Relations

The BASF Canada Agricultural Solutions team actively supports the communities where customers and employees live and work, including in Calgary. Through national, provincial, and local initiatives funding and product donations support initiatives that foster building safe and healthy communities, developing future leaders in agriculture, and advancing science. Partners and initiatives include STARS, 4H Canada, the Canadian Agriculture Safety Association (CASA), and the BASF Safety Scouts program.
