

News Release

BASF increases prices for MDI

With immediate effect, or as contract terms allow, BASF will be increasing prices for its polymeric Lupranate[®] MDI and standard monomeric 4'4-Lupranate[®] MDI (Methylene Diphenyl-diisocyanate) basic products by €200 per metric ton in the Western and Eastern Europe region.

About BASF

At BASF, we create chemistry for a sustainable future. We combine economic success with environmental protection and social responsibility. The approximately 112,000 employees in the BASF Group work on contributing to the success of our customers in nearly all sectors and almost every country in the world. Our portfolio is organized into five segments: Chemicals, Performance Products, Functional Materials & Solutions, Agricultural Solutions and Oil & Gas. BASF generated sales of more than €70 billion in 2015. BASF shares are traded on the stock exchanges in Frankfurt (BAS), London (BFA) and Zurich (AN). Further information at www.basf.com.
