October 29, 2019

Personnel Changes at BASF

Klaus Welsch (56), President, Engineering & Technical Expertise, Ludwigshafen, will assume responsibility for the new Division „Mega Projects Asia”, BASF (China) Company Ltd., Shanghai, effective January 1, 2020. These include the company’s proposed new integrated chemical production (“Verbund”) site in Zhanjiang (China) as well as the new chemical complex in Mundra (India), in which BASF is engaged with Adani, ADNOC and Borealis for its development.

Heather Remley (51), Senior Vice President, Petrochemicals North America, BASF Corporation, Houston, will, as President, succeed Klaus Welsch at the same time.

Note to editors:

About BASF

At BASF, we create chemistry for a sustainable future. We combine economic success with environmental protection and social responsibility. The more than 115,000 employees in the BASF Group work on contributing to the success of our customers in nearly all sectors and almost every country in the world. Our portfolio is organized into six segments: Chemicals, Materials, Industrial Solutions, Surface Technologies, Nutrition & Care and Agricultural Solutions. BASF generated sales of more than €60 billion in 2017. BASF shares are traded on the stock exchanges in Frankfurt (BAS), London (BFA) and Zurich (BAS). Further information at www.basf.com.
