BASF appoints Claudia Huang Senior Vice President for Monomers Asia Pacific

Hong Kong – June 4, 2018 – Claudia Ruo Bing Huang, currently Vice President, Business Management, Isocyanates & Inorganics Asia Pacific, BASF's Monomers division, has been appointed as Senior Vice President, Monomers, Asia Pacific, effective June 1, 2018. She will succeed Dr. Ramkumar Dhruva, who will serve as President, South & East Asia, ASEAN, and Australia/New Zealand regional division, effective July 1, 2018.

Claudia Huang started her career with BASF in 2004 as plant manager at a BASF joint venture (JV) in Shanghai, China. She then held various management positions, including JV General Manager, Vice President responsible for Manufacturing & Technology for BASF in Greater China, and Business management for Dispersions & Resins, Performance Chemicals, Paper Chemicals, and Nutrition & Health in China.

About BASF

At BASF, we create chemistry for a sustainable future. We combine economic success with environmental protection and social responsibility. The more than 115,000 employees in the BASF Group work on contributing to the success of our customers in nearly all sectors and almost every country in the world. Our portfolio is organized into five segments: Chemicals, Performance Products, Functional Materials & Solutions, Agricultural Solutions and Oil & Gas. BASF generated sales of €64.5 billion in 2017. BASF shares are traded on the stock exchanges in Frankfurt (BAS), London (BFA) and Zurich (BAS). Further information at www.basf.com.
