Dear Sir/ Madam,

Sub: BASF to double production capacity for polymer dispersions in Dahej, India

We wish to inform you that the Company plans to double its capacity for polymer dispersions with a new production line at its site in Dahej, Gujarat. Through this investment, the Company aims to provide a reliable supply of high-quality dispersion solutions to customers in the fast-growing Indian and South Asian markets.

The Company had started the production of polymer dispersions in Dahej, Gujarat in October 2014 and currently operates one production line at the plant. The proposed investment will expand production capacity of dispersions for the construction, coatings, paper and adhesive markets and the enhanced production line will serve growing demand in South Asia, with operations beginning by 2021.

Please treat the above information as intimation under Regulation 30 of the Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements), Regulations, 2015.

Thanking you,

Yours faithfully,
For BASF India Limited
