THE STATE GOVERNMENT APPROVED RDSS WORTH AROUND 39,602 CRORE

Keeping in mind the need for further empowerment and modernization of the current electricity distribution system to meet the increasing demand of electricity in the future, the state government has recently approved the Revamped Distribution Sector Scheme (RDSS) of about 39 thousand 602 crore to improve the quality of electricity supply, reduce distribution losses and enhance consumer service. In order to improve the financial stability of the power distribution companies in the state, the RDSS will be implemented with the financial assistance of the Central Government. Due to this scheme, there will be a radical change in the power distribution system of MSEDCL. Features of the scheme are to improve financial stability and operational efficiency through conditional financial assistance, strengthen basic distribution infrastructure, improve quality and availability of power supply, focus on energy audit through smart metering and provide funds for power loss reduction works. To provide quality, reliable and affordable power supply to the consumers of MSEDCL, to reduce technical and commercial losses to 12 to 15 percent by FY 2024-25 and to bring to zero the gap between the average cost per unit of electricity supply and the average revenue per unit by FY 2024-25. These are the main objectives of this scheme.
