Muskegon, MI

Address: 1740 Whitehall Rd. Muskegon MI 49445
(Located 45 miles west of Grand Rapids and 36 miles north of Holland)

Phone: (231) 719-3000

Start of Production: 1975

Site Manager: Mark Wolverton (interim)

Number of Plants: Two plants and two packaging lines

Number of Employees: Approximately 80

Products/Uses:

- Liberty® herbicide delivers superior weed control across multiple trait systems. Its unique mode of action provides excellent performance on key driver weeds, greater application flexibility and unmatched convenience, with no known weed resistance in U.S. row crops - corn, cotton, soybean and canola.
- Rely® 280 herbicide delivers rapid control of broadleaf weeds and grasses, including those resistant to glyphosate and multiple herbicide classes.

Community Relations:

The Muskegon site supports many local community organizations including:

- The United Way
- Kid’s Food Basket
- Muskegon Area Chamber of Commerce
- Muskegon Area Career Tech Center
- Michigan Chemistry Council & Muskegon Chemistry Council
- West Michigan Air and Waste Management Association
- Local Emergency Planning Committee, Muskegon Township Fire Department and Muskegon County Hazmat Team

Economic Impact:

- Annual payroll of \$6.56 million *
- Payment of \$1.23 million in local and state taxes *
- Capital investment of \$2.5 million in new plant equipment *

**2019 year-end data*
