Spartanburg (Converse), South Carolina

Address: 230 Old Converse Road, Spartanburg, South Carolina 29307

Start of Production: BASF acquired the site in 2019

Location: The BASF site in Converse is located north of Hwy. 29 and west of the Pacolet River. Its property is adjacent to the Converse Fire Department.

Site Director: Jerome Kirkland

Number of Plants: One plant

Number of Employees: 74 employees + contractors

Product/Uses: The site processes scrap automotive catalytic converters, which are then sent to BASF's Seneca, South Carolina site to recover the precious metals. This recycling process helps reduce the environmental impact.

Community Relations: This site is an active member of the Spartanburg/Converse community and supports a wide range of initiatives.

Economic Impact:

- Annual payroll of approx. \$5.2 million
- Payment of approx. \$*0.1 million in local and state taxes
- Capital investment of \$14.4. million*, approx. \$2.6 million at acquisition

*Year-end 2021 data
