

Spartanburg, South Carolina

ADDRESS | 230 Old Converse Road, Spartanburg, South Carolina 29307

START OF OPERATIONS | BASF acquired the site in 2019

LOCATION | The BASF site in Converse is located north of Hwy. 29 and west of the Pacolet River. Its property is adjacent to the Converse Fire Department.

SITE MANAGER | Jerome Kirkland

Product/Uses:

The site processes scrap automotive catalytic converters, which are then sent to BASF's Seneca, South Carolina site to recover the precious metals. This recycling process is sustainable and helps reduce environmental impact.

Community Relations:

This site is an active member of the Spartanburg/Converse community and supports a wide range of initiatives and local community organizations, including the Converse Fire Department, CC Woodson Community Center, Chapman Cultural Center (and its Internationl Kite Festival), USC Upstate, local schools and more.

Economic Impact

- Annual payroll of approx. \$5.6 million
- Payment of approx. \$.155 million in property taxes
- Capital investment of \$19.3 million*
